#	CPD Activities	Maximum CPD Points	Description	Evidence
x)	Recognition awards	5 points	The CPD committee will have the discretion to accredit.	• The CPD committee to determine
y)	CPD coordinator of an accredited provider	5 points	The coordinator should have shown exemplary performance throughout the calendar year. The CPD committee will have the discretion to accredit this.	• The CPD committee to determine
z)	Post-graduate courses	40 points	This includes masters programs in medicine, dentistry and related fields, fellowships, diplomas and PhDs.	• Proof of registration in the year and evidence of active involvement

Please note that:

- In addition to meeting these requirements, the MPDB may in any particular year prescribe CPD activities that are cross-cadre in response to national and/or professional priorities.
- All CPD activities should be relevant to the field of medicine and dentistry.

Participation in activities outside the country is encouraged. All such activities should be verified by the respective CPD coordinators.

11.6.2 Activities that may not earn CPD Points

Informal CPD activities are those that do not earn CPD points. They include:

a) Routine ward rounds
b) Class lectures
c) Written assignments
d) Staff and/or administrative meetings
e) Tours and/or viewing of exhibits and technological demonstrations
f) Product promotional meetings
