# 6 CPD IMPLEMENTATION STRUCTURE

## 15.1 Operationalization of the CPD program

The Board, through the CPD office will be responsible for the operationalization of the CPD program. The Board will implement the CPD program using the Integrated CPD Management (iCPD) online system. All CPD providers and practitioners will be required to register online within a stipulated period prescribed by the Board.

All practitioners will be required to:

a) Log in all CPD activities, view CPD provider calendars and verify their CPD points on the online platform.
b) Attend and participate in CPD activities offered by CPD providers.
c) Submit peer review articles to the editorial office and receive feedback on the same.
